Results 1 - 10 of about 12,500 for I/D genotype ACE gene amplification. (0.23 seconds)

Scholarly articles for I/D genotype ACE gene amplification

Mistyping ACE heterozygotes - Shanmugam - Cited by 309

Deletion polymorphism of the angiotensin I-converting ... - Nakai - Cited by 216

Human gene for physical performance - Montgomery - Cited by 208

Neuroscience Letters : ACE I/D polymorphism is a risk factor of ...

No difference in ACE I/D genotype distribution was found between the groups ...

Restriction isotyping of human apolipoprotein E by gene amplification and ...

linkinghub.elsevier.com/retrieve/pii/S0304394004014776 - Similar pages

by H Kölsch - 2005 - Cited by 29 - Related articles

An alternative method for genotyping of the ACE I/D polymorphism

problem when trying to genotype using PCR amplification only methods. The ACE gene I/D polymorphism is not associated with gen- ...

www.springerlink.com/index/83um22925515863u.pdf - Similar pages

by KL Glenn - Cited by 2 - Related articles - All 2 versions

The ACE gene I/D polymorphism is not associated with generalized ...

The I/D polymorphism of the ACE gene accounts for the variability of serum ACE activity, D/I genotype having the highest and I/I genotype having ...

doi.wiley.com/10.1111/j.1755-148X.2008.00462.x - Similar pages

Cardiovascular Diabetology | Full text | ACE I/D genotype ...

ACE I/D genotype, adiposity, and blood pressure in children ... The ACE gene is located at 17q23 and contains a polymorphism distinguished by either ... [25]) and a new deletion-specific PCR amplification test (developed by Glenn et al. ...

www.cardiab.com/content/8/1/14 - 84k - Cached - Similar pages

by JC Eisenmann - 2009 - Related articles - All 8 versions

Insertion/deletion polymorphism of the ACE gene and adherence to ...

The I/D polymorphism of the ACE gene does not influence the adherence to ACE inhibitors. ... amplification of the respective fragments from intron 16 of the ACE gene ... Our findings suggest that the ACE I/D genotype in starters of ACE ...

www.pubmedcentral.nih.gov/articlerender.fcgi?artid=1884810 - Similar pages

by H Scheleman - 2005 - Cited by 5 - Related articles

The Turkish Journal of Gastroenterology

The amplified ACE gene fragments without insertion (D allele) and with insertion (I allele) ... The frequency of ACE I/D genotypes is summarized in Table 2. ...

www.turkgastro.org/text.php?id=659 - 26k - Cached - Similar pages

by Ç Nevin - 2008 - Related articles

DD genotype of ACE gene is a risk factor for intracerebral ...

The authors report evidence that ACE gene DD homozygosity of the I/D ... the DD samples were then genotyped by a second insertion-specific amplification.6 ...

www.neurology.org/cgi/content/full/63/2/359 - Similar pages

by A Slowik - 2004 - Cited by 27 - Related articles

I/D relationship between polymorphism of ace gene and progression ...

Amplification of the polymorphic site of the ACE gene was made with ... Development of CGN is not associated with any genotype of ACE gene in Kyrgyz ...

cat.inist.fr/?aModele=afficheN&cpsid=17560504 - Similar pages

II Genotype of the Angiotensin-Converting Enzyme Gene Increases ...

The aim of this study was to investigate the association between **ACE I/D** ... chain reaction **amplification** of the intron 16-specific **I/D** fragments, ... Conclusion— Here we report that **I genotype of ACE gene** is a risk factor for ...

stroke. ahajournals.org/cgi/content/abstract/35/7/1594 - Similar pages
by A Slowik - 2004 - Cited by 28 - Related articles

Journal of Human Hypertension - **GNB3 gene** C825T and **ACE gene I/D** ... **Amplification** reactions were performed in a final volume of 30 μ l ... The **ACE genotype** distribution (**I**, **I**D, and **D**D) and allele frequency (**I**, **D**) were similar ... OR of hypertensives related to the **ACE gene D** allele was not significantly ...
